

NEBRASKA

The Nebraska Horse Trails Committee (NHTC) is a highly dedicated group of volunteers that not only raise funds to support trails in Nebraska, but also volunteer their time and talents in an endless variety of ways.

NHTC is a 501(c)(3) non-profit organization dedicated to enriching our Nebraska trails by making improvements to horse camps and trail heads, while continually maintaining existing trails, and creating new trails that we can all enjoy.

Come join us in our mission by donating funds and your time!

Thanks to a strong partnership between park officials and The Nebraska Horse Trails Committee, NHTC volunteers have spent 600+ hours and cleared over 10 miles of trail at Summit Lake State Recreation Area for all to enjoy!

And there's more to come! NHTC continues to work with park officials to develop a horse camp at Summit! Check the NHTC website for updates!
